RETURN to SKATING!

Thank you to all Parents & Skaters in Phase 1 who took part in our Return to Skating meetings to help us achieve a safe return!

We are all excited to be returning to the ice and to the sport we love. As we plan for a cautious and reasoned approach, we need to continue to support the health and well-being of all skaters, coaches, and members in our return. It is imperative that all DSC members are honest about their health & any changes during this time. As we emerge from this Global Health Crisis, we will only become stronger by being diligent and working together. ~ **See you at the rink!**

UPDATED Waivers

Skate Canada & our Skate Canada: Alberta/NWT-Nun Section has updated the requirement of the NEW waiver forms, requiring an appendix.

The new & updated Waiver form has been emailed out to Phase 1 skaters!

ALL skaters will need to hand in a physical paper copy of this form on their first day back to the ice. Once this new and updated waiver is handed in, you will not need to re-submit with each phase.

Please feel free to print and return on your first day OR copies will be available at the check-in table on your first day!

NEW Logo

At the AGM on Sunday June 28, the new DSC Logo was unveiled. We are thrilled to have worked with the Design Students at Grant MacEwan on this project and especially the student who submitted the final design!

Final design: “The two swirl motifs represent all the different members of the club coming together; boys & girls, hockey & figure skating, beginner & seasoned skaters. The colors are similar to those of the original logo and the turquoise color is very different than any other Skating Club, being bright unique and fun. It also works for any age & gender.”

In the coming months, we will be presenting new Club wear for members to show off their DSC Pride! More info to come through the summer!

NEW Website

With a fresh new logo, it was also time for an update to our website. The new DSC website will launch sometime during the week of July 6th!

Once live, you will find the new website at the same URL: www.derrickskating.ca

There will be no changes to the registration system.

Fall Schedules

Please note that the 2020-2021 Fall/Winter Season schedule is in development but will be out later than usual this year.

As things are changing and evolving in our phased re-launch, we will be continually adapting as needed to follow AHS and Provincial guidelines.

Members will be informed of developments along the way and we hope to have additional information, including Fall registration information, by the end of July or early August.

June Off Ice

June’s drop-in off-ice program was a hit with our skaters and we enjoyed being back together in person.

For all skaters who participated in our June off ice programs, drop-in fees (\$5/session) will be added to your account in the coming week and your credits will be used on your invoice.

All members who participated will receive an updated invoice with the billing for June off ice.
